

MODERN STYLE

A city skyline is an irresistible spectacle: all that pulsating life, the mass of lights and the river snaking its way through the urban landscape – it's simply majestic!

Anyone who lives in the heart of the city wants home to be functional, minimalist and trendy. A sofascape that encourages you to chill out before or after going out, with crystal-clear hi-fi sound and a refreshing glass of champagne.

Meanwhile, outside – the endless concerto of the city ...
