

GREAT OUTDOOR  
AMBIENCE

**NOMA** \ **WOOD** FENCING

EXCEPTIONALLY

**NOMAWOOD® is unique in its design, stability and longevity .**

The NOMAWOOD® FENCING is composed of NOMAWOOD® panels (22 mm thick and 1800 mm long) which have unique properties:

- Solid, dyed and 100% synthetic
- 100% resistant to water and humidity
- Very low maintenance and virtually no water absorption
- Superior UV stability
- Non-warping and no rotting
- Extremely long-lasting
- Eco-friendly (100% recyclable, no after-treatment, produced with green energy)

## WEATHER SHIELD
